[bobd@upc.org](mailto:bobd@upc.org)

If a song starts with "The," it is listed both ways, with and without "The" to make it easier to find.

If a song is known by two names, it is listed both ways.

## Medley:

If it is a medley, there is a listing for each song in the medley with "Medley Name (1)", "Medley Name (2)", etc.

The information for each song in the medley needs to go on the song sheet, transparency, etc.

There is also a listing for the individual songs in the medley because they could be sung alone.
